Assessment (1)

16.02.2022 - Assessed anonymous

According to the Notification Form and dialogue, dated 16.02.2022, there will not be processed directly nor indirectly identifiable data about natural persons. As a result, the project does not need an assessment from data protection services.

WHAT DO YOU NEED TO DO IF YOU ARE GOING TO PROCESS PERSONAL DATA?

If the project is changed in such a way that you will process personal data, you will need to notify this to data protection services by updating the Notification Form. Wait for a reply before you start processing personal data.

END OF FOLLOW-UP

As the project will not be processing personal data, we end all further follow-up of the project.
